Diablo 3 Mouse Cursor Download For Windows 7

the cursor does not click on the BUYOUT button However when i place an icon on my desktop my cursor clicks on it.. I switched to window mode and am trying thisCoordMode, Mouse, ScreenNumpad3::Click 998,823ReturnNumpad2::Click 328, 961ReturnWhen i press numpad 3 my cursor goes to the right location but nothing happens.
